Neighborly Advice

Freely Given by a Norway Citizen.

When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from a Norway resident.

M. W. Sampson, Prop. boat transportation business, 19 Bridge St., Norway, says: "A cold settled on my kidneys and brought on attacks of backache. I was lame and unable to move any way, the pain in my back was so severe. My kidneys didn't act right and I had dizzy spells. A friend who had used Doan's Pills with good results advised me to try them, so I went to Stone's Drug Store and got three boxes. After I had finished taking them, the trouble left and I have been free from kidney disorder since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Sampson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Church Has Electric Lights

The crowning event of the Circle was Friday evening when a large number of people gathered at the church to dedicate the lights. Mrs. Hazel Wardwell opened the Circle with reading from the Bible, all uniting in the Lord's prayer. Supper was then served. Before leaving the table a rising vote of thanks was given to each of the several generous donors to our lights. The gifts are truly appreciated by the friends and members of the church, Circle and Grange. Words are inadequate to express our gratitude and thanks to the inspirer, Mrs. Ives, who has done so much to make our gatherings uplifting, also inspiring a social, friendly fellowship, as well as bringing gifted talents to our little town, which otherwise we would not have had the chance of enjoying.

This evening we had the great privilege of listening to Dr. Metcalf, one of America's foremost astronomers, who, with aid of stereoscopic pictures, gave an address in which he tried to make his listeners see and understand a bit of the wonders of the heavens as seen and studied through the largest telescope in the world. Mr. Metcalf said that he hoped we would invite him to come again as the time was so limited for such a large subject.

After this we went into the church where the altar was tastefully decorated with pine and red berries of the mountain ash. The lights had just been turned on illuminating so brightly that from our hearts we sang "Praise God from Whom All Blessings Flow." Mrs. Ives read a fitting selection from John I. followed by prayer, then in words, tenderly expressed she thanked all the friends who had sent her such a pleasing gift. She said that as she sat in her new chair before her beautiful desk and lamp it would always be with loving thoughts of her Albany friends, and the happy days she had spent with them. Again we had the pleasure of listening to Dr. Metcalf; this time an interesting sermon, after which he expressed the feeling of his audience in the hearty tribute which he gave Mrs. Ives in which he said she not only preaches the life of self-sacrifice but she lives it.

Then Mrs. Ives requested Deacon James Kimball to give a short history of the church which was very interesting as he spoke of the old church building, some of our former pastors he also remembered when the sermon was two hours long with another long afternoon service. Then Deacon Kimball read her as a token of esteem and love from the Albany church, a ring guard, wishing our lights, which we this night had dedicated, would always bring love and remembrance of her so long would the sparkling stones of this gift carry the love and gratitude of the people of Albany to whom she has been a bright light carrying her message of the love of Jesus Christ.

Dr. Metcalf closed this most impressive service with the benediction. Many thanks are due from the Albany people to Mrs. Ives' friends who have assisted in the services as well as the generous donors to the lights who were Mrs. Ives, Mr. and Mrs. Joseph Rich, Mr. and Mrs. Upson, Mr. and Mrs. Brown and Mr. and Mrs. Edwards.

Quartette for Community Club

Excluding Sundays and a short vacation, the Swanee River Quartette, the famous colored company, appearing here Dec. 8, work every day in the year. They travel thousands of miles, covering nearly the entire United States.

They do not attempt "White Folk" songs, but confine themselves to the rollicking tunes and the plaintive, haunting melodies of their own race. Nor do they offer "jazz," but rather the source from which "jazz" is derived. They appear in two changes of costume and intersperse their vocal selections with readings and instrumental numbers. As a feature, John Gant, bass and manager of the quartette, presents some famous old songs in costume, acting it and usually assisted by the quartette off stage.

Tickets go on sale at Howard's Drug Store, Dec. 1. Proceeds will be used wisely by the Community Club of this village.

Mrs. Wilke Couldn't Get Back Her Strength Until She Took Lydia E. Pinkham's Vegetable Compound

Rochester, Minnesota.—"I had a very serious operation and it seemed as if I could not get my health back after it. I suffered with pain almost constantly. My sister came to help take care of me, and she was taking Lydia E. Pinkham's Vegetable Compound for nervousness and a run-down condition. She had me try some of it, and in a very few days' time I began to feel better. In two weeks I hardly knew myself and after taking a couple of bottles more I was up and helping around, and now I am strong and healthy again and am still taking it. It is a pleasure for me to write this to you, and I hope that many other women who are suffering like I was will find out about your medicine. I will give any information I possibly can."—Mrs. JAMES WILKE, 933 E. Center Street, Rochester, Minn.

Remember, the Vegetable Compound has a record of fifty years of service and thousands of women praise its merit, as does Mrs. Wilke.

Fryeburg Academy Notes

The first division of the Junior and Sophomore Rhetoricals, under the direction of Frank Stack, their teacher in English, took place Tuesday. The Juniors were: Dorothy Haley, Evelyn Hall, Ruth Shaw, Norma Blake, Stephen Andrews, and Eva Eastman. The Sophomores were Beatrice Thompson, Averil Harnden, Ruth Peterson, Florence Bryant, Mildred Hill, Beatrice Haley, Leura Hill, Blanche Kendall and Robert Littlefield.

The girls' dormitory will be closed during the Thanksgiving week. Headmaster LaCasse will spend his vacation at his camp in South Casco. Mr. Stack at the home of his parents in Portland. Mr. Lovell in Waldoboro, Miss Coburn will be the guest of Mrs. LaCasse, Miss Parris will go to Mechanic Falls and Mrs. Hasty will be the guest of Mrs. Cary Bradley.

Much enthusiasm is displayed in athletics, especially there has been competition between the Freshmen and Sophomore girls for the championship in interclass basketball. In the last game, Averil Harnden and Pearl Haley, the sophomore forwards, scored seven points to the freshmen's two. Ruth Elia's playing was, to a large degree, responsible for this lead. On the second half, Esther Pike fairly rushed the sophomore guards off their feet, scoring seven points herself. Meanwhile the Freshman guards Mary McAllister and Pauline Adams, shadowed the sophomore forwards so effectively that they scarcely touched the ball during the last half. Final score was freshmen 11, sophomores 7.

In tag football, the sophomores and seniors are to play for first and second places. Freshmen have won third place. The seniors and sophomores have played two close games and are to play the rubber game soon. The standing at present is: seniors 15, Juniors 0, sophomores 20, freshmen 20.

The competition in boys' basketball, tag football, girls' basketball, track events for boys, track events for girls will result in 15 points for first place, 10 points for second place and 5 points for third place.

In the tag-of-war, boys, and tag-of-war, girls, first place 10 points, second and third, 3 points. Boys' basketball, freshmen, first; sophomores, second. No third place.

Rank cards for the first quarter were given out Tuesday. Those having a rank of A were Helen Baker, Daphne Barker, Eva Eastman, Dorothy Haley, Ethel Hall, Evelyn Hall, Ruth Shaw, Esther Baker, Ruth Elia, Averil Harnden, Kenneth Small and Lillian Smith.

The following had a rank of 80 or more: Robert Moulton, Ida Pratt, Arline Sargent, Noyce Shirley, Mariner Thompson, Carl Webster, Delbert Bosworth, Lucille Ball, Marcia Berry, P. Elia, Beatrice Haley, Pearl Haley, Laura Hill, Blanche Kendall, Beatrice Thompson, John Weston, Edward Buzzell, Helen Eastman, Elizabeth Hill, Eleanor Lane, Robert Littlefield, Phyllis Marston, Ruth Mills, Esther Pike. The social, Tuesday evening, was a very enjoyable affair.
